

LASSEN MUNICIPAL UTILITY DISTRICT
65 South Roop St. – Susanville, CA 96130

JOURNEYMAN LINEMAN

\$34.95 per hour (\$37.04 after rubber gloving certification) plus excellent benefits

Lassen Municipal Utility District (LMUD) is seeking qualified applicants for the position of Journeyman Lineman. LMUD is located in Susanville, California which is 85 miles north of Reno, NV, and 100 miles east of Redding, CA. The area borders the mountain tree line and the high desert. Nearby Lake Almanor and Eagle Lake provide excellent hunting, fishing and recreational opportunities.

Requirements: Applicants must have a high school diploma or equivalent, and have successfully completed an electrical lineman apprenticeship program. Considerable knowledge of overhead and underground power system facilities including substations, switchgear, protective devices, and primary and secondary distribution equipment is required. Applicant must have knowledge of principles and practices of rubber gloving, electric power system operation, and maintenance and construction standards. Possession of a valid motor vehicle Class "A" CDL or the ability to obtain one within six months after employment is required. Must have the ability to perform moderate to heavy physical activity and be able to work in extreme climatic conditions.

Must pass a pre-employment physical and drug and alcohol screening prior to employment.

To Apply: Interested individuals must submit a LMUD employment application. A resume is strongly recommended. Applications may be obtained from our website at www.lmud.org, or from the District office at 65 South Roop St., Susanville, CA. Completed applications should be mailed to Lassen Municipal Utility District, Attention Ray Luhring, 65 South Roop St., Susanville, California 96130. This position is open until filled. EOE
