The California Municipal Utilities Association is seeking to hire a full-time **Legislative Advocate** on California water-related issues. Responsibilities include: bill identification, analysis, tracking, monitoring and reporting; recommending positions and strategies; testifying before legislative committees; meeting with individual legislators and staff; working with the Governor's Office, administrative agencies, other stakeholders, and interest groups.

Minimum 5 years experience working on California water issues before the California Legislature and/or California state water agencies. Additional experience working on regulatory issues and proceedings with California state water agencies is a plus. Salary commensurate with experience; full benefits provided.

Please send resume with cover letter, minimum salary requirements and salary history, and references to [hr@cmua.org](mailto:hr@cmua.org). Additional relevant writing samples, association management, member communication, and work examples are welcome. Decision expected in late April. No phone inquiries please; for additional information go to [www.cmua.org](http://www.cmua.org).
