

# California Municipal Utilities Association

915 L Street, Suite 1460 • Sacramento CA 95814 • 916/326-5800 • 916/-326-5810 fax • [www.cmua.org](http://www.cmua.org)

The California Municipal Utilities Association is seeking to hire a full-time **Regulatory Advocate** to work on electricity and water issues in California regulatory and administrative agencies. Responsibilities include: regulatory issue/proceeding identification, analysis, tracking, monitoring and reporting; recommending positions and strategies; testifying before regulatory and administrative proceedings, hearings, and meetings; meeting with individual agency officials and staff; working with the Governor's Office, other administrative agencies, other stakeholders, and interest groups.

Minimum 5 years experience working on electricity and/or water issues in California regulatory and administrative agencies. Additional experience working on legislative issues/legislation is a plus. Salary commensurate with experience; full benefits provided.

Please send resume with cover letter, minimum salary requirements and salary history, and references to [hr@cmua.org](mailto:hr@cmua.org). Additional writing samples, association management, member communication, and work examples are welcome. Decision expected in late April. No phone inquiries please; for additional information go to [www.cmua.org](http://www.cmua.org).
