

# How to Use CMUA's New Event Registration and Member Portal

Before you can register for an event, you must setup your username and password. If you have not done that, please [click here](#) to download setup instructions.

To register yourself, login and follow steps 2 through 6, 12 and 13.

To register someone other than yourself or multiple attendees from a single utility, after logging in, follow steps 2 through 13. See screenshots below for more detail. Need help? Contact Christine Chapman at [cchapman@cmua.org](mailto:cchapman@cmua.org) or (916) 326-5804.

1. Login using your username and password (if you don't have one yet, download the instructions through the link above).
2. Go to the Events tab and select the event you want to register for.
3. Click on the "Member Registration" button
4. Select Member Type from the dropdown
5. Your information will auto populate under the "My Information" tab
6. Pricing will auto populate under the Pricing tab
7. Under the "Associates" tab, click the "pencil & paper" icon on the first line
8. Enter the email of the person you want to register
9. Click the "Look Up Associate Info" button and enter their email. If the person you are trying to register does not appear on the list, it means are not in our database and need to be added. Please contact Christine Chapman at [cchapman@cmua.org](mailto:cchapman@cmua.org).
10. Close Associate Updates and follow the same steps for each person you want to register
11. When finished with the list of people, click "Next"
12. Under the "Summary" tab, if you are registering someone other than yourself, select the "Opt-Out" option in the upper left corner of the registration window. This will remove you from the list of registrants and adjust the amount due.
13. Complete the check-out process and pay with your credit card.
